Each bid on its face shall be firm, unconditional, responsive, fixed in one amount certain, and not in the alternative. Special conditions, alterations, or deletions will render a bid non-responsive. The terms of the Foreclosure Sale are those set out in this Invitation and Attachments. Lack of an Earnest Money Deposit, as required by this Invitation, will be cause for bid rejection.
2. **SALE TO HIGHEST QUALIFIED BIDDER:** Sale of this Project will be awarded to the highest bidder determined to be qualified to purchase the Project. ***Bidding is restricted to bidders with prior Assisted Living Facility operations experience and history.*** The defaulting owner of the Project, or any affiliate thereof, will not be permitted to bid.

5. **CANCELLATION OF SALE:** HUD reserves the unconditional right to cancel this Invitation and reject any and all bids at any time prior to the Closing of the Foreclosure Sale.

NOTE: The Form HUD-9552 and Exhibits (*Attachment E*) are cost estimates of the required Repairs. Actual costs ultimately incurred by the Purchaser may be more or less than the estimates.
8. **While care has been exercised to assure accuracy, all information provided is solely for the purpose of permitting parties to determine whether or not the Project is of such type and general character they are interested in purchasing. HUD makes no warranty as to the accuracy of the information. 9. **OUTSTANDING ENCUMBRANCES THAT SURVIVE FORECLOSURE:** By entering its bid, the High Bidder agrees to assume all responsibility for paying all outstanding encumbrances and expenses, including, but not limited to, taxes, assessments, utility bills and any liens not extinguished by the foreclosure. Bidders are advised to determine outstanding expenses, taxes, utilities, assessments, and liens as part of the due diligence process and take them into consideration when bidding.

  - a. **Required Bidder Qualifications to Purchase Project:**
    - i. It is the objective of the Department's multifamily foreclosure process to transform troubled and distressed multifamily properties into viable, long-term affordable rental housing resources. To accomplish this objective, the Department will only award a HUD-foreclosed property to a High Bidder that **is eligible to bid**, has the financial capacity and demonstrated experience (approximately five (5) years) of successfully owning, managing and transforming distressed and troubled multifamily properties as viable, low-income housing resources.
    - ii. The Department has the discretion to evaluate, starting with the High Bidder and proceeding in descending order, if necessary, the bidder's **eligibility to bid**, experience, qualifications and capacity to purchase the Project based on a review of the documentation described below, information independently obtained and verified by HUD, and the Post-Bid Document Submittals required herein. The documentation must demonstrate that the bidder owns (or has owned) and is successfully managing and operating (or has successfully managed and operated) properties of similar size and characteristics (including problematic complexities) as the Project being sold. The documentation will be used by HUD to determine whether the bidder **is eligible to bid**, has the financial capacity and demonstrated experience to acquire and successfully transform the Project into a long-term, viable

The review and approval of the Previous Participation Certification (Form HUD-2530) is a requirement for the purchase of the Project. However, Previous Participation Certification approval is only one aspect of HUD approval of the bidder's qualifications.
- iv. Based on HUD's review of the documentation submitted, as well as any additional information independently obtained and verified by the Department, HUD will determine whether the bidder is **eligible to bid**, has the requisite experience, qualifications and financial capacity to purchase the Project. This determination is within HUD's sole and absolute discretion. If HUD determines that the bidder **is not eligible to bid**, does not have the experience, qualifications and/or financial capacity to purchase the Project, HUD will reject the bid and proceed to the next highest bidder pursuant to the terms of the Invitation.
- v. In the event that HUD rejects a bid, HUD will return the bidder's earnest money deposit, provided the bidder has not failed to meet time limits required to submit documentation, or made any misrepresentation or material omission(s) in the bidder's submission of documentation. If the bidder fails to properly submit all required documentation within the required time limit or HUD determines that the bidder misrepresented his or her eligibility to bid, experience, qualifications, or financial capacity, the Earnest Money Deposit will be forfeited and retained as liquidated damages. HUD may seek any and all additional remedies.
- vi. HUD may require the High Bidder to obtain the services of a qualified multifamily project management firm. Management acceptable to HUD (see paragraph 5 below) must be approved prior to Closing.

**b. Bidder Approval:**

- i. If HUD determines that the High Bidder is qualified, the High Bidder will be confirmed as and identified as the Purchaser;
- ii. If the high bid is rejected due to HUD's determination that the High Bidder is not qualified to purchase the Project, HUD will notify the High Bidder in writing;
- iii. If HUD rejects the High Bidder, HUD may in its sole discretion elect to contact the Second High Bidder, and/or succeeding bidders as bidders withdraw or do not qualify, to purchase the Project. If contacted by HUD, the Second High bidder or succeeding bidder will be offered the opportunity to purchase the Project and will be given twenty-four (24) hours to submit the earnest money deposit and execute the Acknowledgment, and thereby will be deemed as the High Bidder. HUD will review the bidder's Post-Bid Document Submittals, which must be submitted within the same timeframes detailed in Section 4 of this Invitation beginning from the date the Acknowledgment is executed, in order to determine if the bidder is qualified to purchase the Project;
- iv. HUD's notification of rejection due to lack of qualifications, if applicable, shall be deemed to be given when mailed to the individual that executed the Acknowledgment; and
- v. The written rejection of the bid will be made as promptly as possible and generally within thirty (30) days after the date of the Foreclosure Sale.

4. **EARNEST MONEY DEPOSIT:** All bidders must submit the Earnest Money Deposit to the Foreclosure Commissioner at the start of the Foreclosure Sale. Immediately following the Foreclosure Sale the Earnest Money Deposit will be returned to all but the High Bidder. Interest will not be paid on Earnest Money Deposits.
  - a. If HUD determines that the High Bidder is qualified to own and manage the Project, its bid is acceptable and the High Bidder complies with the requirements of this Invitation, the Earnest Money Deposit will be credited against the bid price at Closing.
  - b. If the bid amount is unacceptable, the bidder's Earnest Money Deposit will be refunded.
  - c. If, during the review of the High Bidder, it is found that the High Bidder has made any misrepresentation or material omission(s) in the bidder's submission of documentation, the Earnest Money Deposit will be forfeited.
  - d. If the High Bidder is determined not to be qualified to purchase the Project **and** the High Bidder has complied with the requirements of this Invitation the Earnest Money Deposit will be refunded.
  - e. If the High Bidder has failed to comply with the provisions outlined in this Invitation, the Earnest Money Deposit will be forfeited.
5. **REVIEW OF PROJECT MANAGEMENT:** HUD will review the statements and Post-Bid Document Submittals to determine, in its sole discretion, if the proposed management entity has the necessary qualifications to operate, manage, and/or administer the type and nature of the project being offered for sale. HUD may elect to discuss Project management plans after submission of the Post-Bid Document Submittals by the High Bidder. HUD reserves the right to reject the bid of any bidder and retain the Earnest Money Deposit, if the High Bidder does not provide management acceptable to HUD.
6. **CLOSING DATE REQUIREMENT:** The date and place for Closing will be determined by HUD and the Foreclosure Commissioner and occur within the time period specified in the Acknowledgment, (Attachment B).
7. **EXTENSION OF CLOSING:** The right to extend the Closing is expressly reserved by HUD as set forth in the Acknowledgment (Attachment B).

  - a. Purchaser is responsible for paying all taxes, assessments, liens, and utility bills including but not limited to, water, sewer, gas and electric, and any other encumbrances not extinguished by the foreclosure. These amounts will not be prorated.
  - b. If Extension Fees were paid, and the Closing occurs prior to the expiration of an Extension Period, the prorated amount of the Extension Fees for the unused portion of the Extension Period will be credited toward the amount due from Purchaser at Closing.
4. **CLOSING EXPENSES:** Irrespective of local custom, the Purchaser shall pay all Closing expenses, including, but not limited to, all documentary stamp taxes, and any costs in connection with a review of title or title insurance.   - b. Maintain full occupancy to the greatest extent possible,
  - c. Be maintained as rental housing for the term of this Agreement,
  - d. Be subjected to periodic HUD inspections or inspections under REAC protocol (24 C.F.R. parts 5 and 200).

The Owner will be obligated to provide audited annual financial statements to HUD (24 C.F.R. parts 5 and 200.)

At the request of the Secretary, Grantee must supply evidence by means of occupancy reports, physical condition reports, reports on operations, or any evidence as requested to ensure that the above requirements are being met.

6. **UNIT NUMBER OR USE CHANGE:** Changes to the use, number, size, or configuration of residential units in the Project; e.g., apartment units, beds in a care facility, from the use as of the date of this Agreement, must receive the written prior approval of HUD.
7. **NON-DISCRIMINATION REQUIREMENTS:** The Grantee will comply with the provisions of all federal, state, or local laws prohibiting discrimination in housing.
8. **HAZARD INSURANCE:** Hazard insurance shall be maintained in an amount to ensure that the Grantee is able to restore the Project so that it meets the rental housing requirements described in this Agreement after restoration.
8. **DESTRUCTION OF PROJECT:** In the event that any, or all, of the Project is destroyed or damaged by fire or other casualty, the money derived from any insurance on the Project shall be applied to rebuild or replace the Project destroyed or damaged, unless the Secretary gives written approval to use insurance proceeds for other purposes.
10. **DEMOLITION OF PROJECT:** The Grantee will not demolish any part of the Project or withdraw any part of the Project from use (except as temporarily necessary for routine repairs), without the prior written approval of HUD.
11. **REMEDIES FOR NONCOMPLIANCE:** Upon any violation of any provision of this Agreement by the Grantee, HUD may give written notice thereof to the Grantee by registered or certified mail, to the address stated in this Agreement, or such other address as subsequently, upon appropriate written notice thereof to the Secretary may be designated by the Grantee as its legal business address. If such violation is not corrected to the satisfaction of the Secretary within thirty (30) calendar days after the date such notice is mailed or within such further time as HUD reasonably determines is necessary to correct the violation, without further notice. HUD may declare a default under this Agreement and may apply to any court, state or federal, for specific performance of this Agreement, for an injunction against any violation of this Agreement, for the appointment of a receiver to take over and operate the Project in accordance with the terms of this Agreement, and/or such other relief as may be appropriate, since the injury to the Secretary arising from a default of the terms of the Agreement would be irreparable and the amount of damage would be difficult to ascertain. The availability of any remedy under the Agreement shall not preclude the exercise of any other remedy available under any provision of the law, nor shall any action taken in the exercise of any remedy be considered a waiver of any other rights or remedies. Failure to exercise any right or remedy shall not be construed as a waiver of the right to exercise that or any other right or remedy at any time.
12. **SUCCESSORS AND ASSIGNS:** This Agreement is binding upon the Grantee's heirs, successors and assigns. If HUD approves a Conveyance during the term of this Agreement, it may be conditioned upon, among other things, the grantee assuming in writing Grantee's obligations under this Agreement.
13. **RESTRICTIONS:** No Member of Congress or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of the benefits of the Use Agreement, but this provision shall not be

construed to extend to this Agreement if the Agreement is made with a corporation for its general benefit.

14. **CONTRADICTORY AGREEMENTS:** The Grantee certifies that it has not, and agrees that it will not, execute any other Agreement with provisions contradictory of, or in opposition to, the provisions of this agreement, and that, in any event, the requirements of this Agreement are paramount and controlling as to the rights and obligations set forth herein and supersede any other provisions or requirements in conflict with this Agreement.
15. **SEPARABILITY:** The invalidity of any provision of this Agreement shall not affect the validity of the remaining provisions hereof.
16. **AMENDMENT:** This Agreement may be amended by the mutual written consent of the parties, except those provisions required by statute.
17. **RIDERS TO THE USE AGREEMENT:** The Riders *listed below* and initialed by the parties are attached to and incorporated into this Use Agreement and will be placed in the Deed to run with the land. Capitalized terms used but not defined in a Rider shall have the meaning ascribed to such term in this Agreement. The use of the term Grantee in a Rider shall be deemed to mean the Purchaser.

- *Rider 1-Enforcement*
- *Rider2-Required Repairs*
- *Rider 3-Relocation of Nursing Home, Board and Care For and/or Assisted Living Facility*

### **§ 5.703 Physical condition standards for HUD housing that is decent, safe, sanitary and in good repair (DSS/GR).**

These standards address the major areas of the HUD housing: the site; the building exterior; the building systems; the dwelling units; the common areas; and health and safety considerations.

- (a) *Site.* The site components, such as fencing and retaining walls, grounds, lighting, mailboxes/project signs, parking lots/driveways, play areas and equipment, refuse disposal, roads, storm drainage and walkways must be free of health and safety hazards and be in good repair. The site must not be subject to material adverse conditions, such as abandoned vehicles, dangerous walks or steps, poor drainage, septic tank back-ups, sewer hazards, excess accumulations of trash, vermin or rodent infestation or fire hazards.
- (b) *Building exterior.* Each building on the site must be structurally sound, secure, habitable, and in good repair. Each building's doors, fire escapes, foundations, lighting, roofs, walls, and windows, where applicable, must be free of health and safety hazards, operable, and in good repair.
- (c) *Building systems.* Each building's domestic water, electrical system, elevators, emergency power, fire protection, HVAC, and sanitary system must be free of health and safety hazards, functionally adequate, operable, and in good repair.
- (d) *Dwelling units.*
  - (1) Each dwelling unit within a building must be structurally sound, habitable, and in good repair. All areas and aspects of the dwelling unit (for example, the unit's bathroom, call-for-aid (if applicable), ceiling, doors, electrical systems, floors, hot water heater, HVAC (where individual units are provided), kitchen, lighting, outlets/switches, patio/porch/balcony, smoke detectors, stairs, walls, and windows) must be free of health and safety hazards, functionally adequate, operable, and in good repair.
  - (2) Where applicable, the dwelling unit must have hot and cold running water, including an adequate source of potable water (note for example that single room occupancy units need not contain water facilities).
  - (3) If the dwelling unit includes its own sanitary facility, it must be in proper operating condition, usable in privacy, and adequate for personal hygiene and the disposal of human waste.
  - (4) The dwelling unit must include at least one battery-operated or hardwired smoke detector, in proper working condition, on each level of the unit.
- (e) *Common areas.* The common areas must be structurally sound, secure, and functionally adequate for the purposes intended. The basement/garage/carport, restrooms, closets, utility, mechanical, community rooms, day care, halls/corridors, stairs, kitchens, laundry rooms, office, porch, patio, balcony, and trash collection areas, if applicable, must be free of health and safety hazards, operable, and in good repair. All common area ceilings, doors, floors, HVAC, lighting, outlets/switches, smoke detectors, stairs, walls, and windows, to the extent applicable, must be free of health and safety hazards, operable, and in good repair. These standards for common areas apply, to a varying extent, to all HUD housing, but will be particularly relevant to congregate housing, independent group homes/residences, and single room occupancy units, in which the individual dwelling units (sleeping areas) do not contain kitchen and/or bathroom facilities.
- (f) *Health and safety concerns.* All areas and components of the housing must be free of health and safety hazards. These areas include, but are not limited to, air quality, electrical hazards, elevators, emergency/fire exits, flammable materials, garbage and debris, handrail hazards, infestation, and lead-based paint. For example, the buildings must have fire exits that are not blocked and have hand rails that are undamaged and have no other observable deficiencies. The housing must have no evidence of infestation by rats, mice, or other vermin, or garbage and debris. The housing must have no evidence of electrical hazards, natural hazards, or fire hazards. The dwelling units and common areas must have proper ventilation and be free of mold, odor (e.g., propane, natural gas, methane gas), or other observable deficiencies. The housing must comply with all requirements related to the evaluation and reduction of lead-based paint hazards and have available proper certifications of such (see 24 CFR part 35).
- (g) *Compliance with state and local codes.* The physical condition standards in this section do not supersede or preempt state and local codes for building and maintenance with which HUD housing must comply. HUD housing must continue to adhere to these codes.
